One-Pot Pea and Basil Pesto Soup

By James Brock

Method:

Bring 2 ½ cups water to boil in a heavy pan (I use my Induction 21® 3.5 quart saucepan). Add peas and stir, then lower heat to medium and cook for 8 minutes. Using an immersion stick blender, gently blend the soup until smooth. Stir in 2 tablespoons of the pesto, and season with salt and pepper to taste. Add more pesto as desired. I like to serve this soup with a crusty loaf of bread and a simple green salad.

Enjoy!
